Lakeland Ridge Athletics Awards

Outstanding Athlete Award

Awarded to an individual who exemplifies the qualities of a well-rounded student-athlete at Lakeland Ridge School. These attributes include being a strong leader and role-model to his or her peers, as well as a hard-working and diligent student both in and out of the classroom.

❖ *Adison Lybbert*

❖ *Reed Low*

Team Awards

Wolfheart – Awarded to a student-athlete who truly portrays what it means to be part of the Wolf pack at Lakeland Ridge School. He or she is helpful to the coach and other players throughout the season and leads by example. A wolfheart recipient understands that the team comes before the individual and strives to bring everyone together to strengthen the pack.

MIP – Awarded to the student-athlete that shows improvement throughout the season of play, which can be portrayed in many different ways. This could include an increase in skill level from the beginning of the season to the end or could be his or her willingness to learn and grow to make the team better.

MVP - Awarded to the student-athlete that is the most valuable to a team. This does not necessarily mean he or she is the highest skilled player individually, however the contributions provided throughout the season are instrumental to the success of the team.

Sport	Award	Student Recipient
